We are just days away from HH50! The members of Harvest Holiday have worked hard to insure that the 50<sup>th</sup> is extra special for everyone in attendance.

A very special Thank You to Vernon and Elizabeth Solomon (the 25<sup>th</sup> Anniversary Chairmen) for the time and energy spent locating past Chairmen and arranging for their attendance. You won't want to miss this very unique opportunity to see so many of the people that have given so much for so many years to our wonderful activity.

Harvest Holiday is one of the few festivals that has survived for 50 years. With the dedication and efforts of our area dancers and cuers, we hope to continue the tradition for many more years. The festival has changed over the years to reflect the changes in our activity - for the good of the activity. Most dancers today cannot imagine going to a dance only to dance from memory without cues (how limiting! I could memorize one-maybe). Join us as we celebrate 50 wonderful festivals and make a few more memories.

 **Support Our Activity** 

*How our activity and festivals will mature and change in the years ahead and which festivals continue will be decided by the individuals willing to contribute the time and energy necessary for survival. May clubs and festivals close due to lack of attendance, lack of facilities, and/or lack of members willing to put on a dance or festival. Each of us dancing today owe a debt of gratitude to anyone that has “worked” for a festival, club or lessons. As you look around the dance floor do you see the next generation of dancers that will carry our beloved activity into another decade? What are you doing to promote and sustain our activity? Something as simple as attending dances and festivals is a great way to start and very necessary for our survival but what else will you do?*

*It isn't too late to plan to attend HH50 and we look forward to sharing the floor with you.*

*As you take time to reflect and plan for the New Year, add supporting our activity just a little bit more in 2011. Be one of the reasons Round Dancing ( Choreographed Ball Room Dancing) grows in 2011! It is our choice ..... Do we care enough to insure our future?*
