## Note from the Mini-Fest Chair

---

We hope that all our Harvest Holiday members who can will come out to support the upcoming Mini-Fest. This is a great opportunity to promote our activity and Harvest Holiday to the newer dancers. For refreshments, we plan to have a few snacks during the afternoon, and desserts for the evening program. We do ask our members to please bring your favorite snack or dessert to share. We will also appreciate assistance from the members with the other necessary duties (kitchen, coffee, door, and clean-up).

Please encourage your dancing friends, students, family, etc., to come to the Mini-Fest. As you all know, the Mini-Fest is a Phase II-IV Festival. This year, as of this writing, it is tentatively planned to have a Phase II Two Step, a Phase III Foxtrot, and a Phase IV Cha Cha teach. With that variety, there should be something for most of the newer (and not so new) dancers to enjoy.

We are still awaiting some information to assist us in the process of putting the evening program together, but when we have the program ready we will have it published on the Harvest Holiday website at [www.harvestholiday.com](http://www.harvestholiday.com).

Thanks in advance for all the help we know we will receive from our great group of Harvest Holiday dancers. If anyone has any questions or needs additional information, please let us know.
