Cream Cheese Squares Recipe

This delightful treat was available at our May Fun Dance thanks to Lorraine Gonya. Here's her recipe:

- 2 cans (8 oz. Each) refrigerated crescent dinner rolls divided.
- 2 pkg. (8 oz. Each) Philadelphia Cream Cheese, softened.
- 1 tsp. Vanilla
- 1 egg slightly beaten
- ¾ cup sugar, divided
- 2 tbsp. Ground cinnamon

Preheat oven to 350 degrees F. Unroll 1 of the cans of crescent dough. Press onto bottom of greased 13 x 9 inch baking pan to form crust, firmly pressing seams together to seal.

Beat cream cheese, vanilla, egg and ½ cup of the sugar with mixer on medium speed until well blended. Spread onto crust.

Unroll remaining can of crescent dough onto large sheet of wax paper. Pat out dough to form 13 x 9 inch rectangle, pressing seams together to seal. Invert over cream cheese to form top crust; discard wax paper.

Bake 30 to 35 minutes or until golden brown. Combine remaining ¼ cup of sugar and cinnamon in small bowl; sprinkle over crust before cutting into squares.
Makes 24 servings.

Education Spot

Harold & Meredith Sears of Boulder, Colorado have given our Harvest Holiday Newsletter permission to print a quotation from their very

useful web site. To see the site, go to www.rounddancing.net/dance. For the complete article, "Dance Right Through Her" see the "Round Notes" April/May issue of the Colorado Round Dance Council Newsletter.

"... In dancing the Foxtrot Reverse Turn or Open Telemark, we need to forge ahead and dance right through her.

For a Reverse Turn, we might begin in closed position facing diagonal line and center. The man steps forward on his left foot with right-side lead. Of course the woman steps back right. The woman draws left to right and puts her heels together as the man pivots on his left and steps to the side past her Heel Turn, maintaining connection at the hips but letting the top line grow and separate. Opening the top line creates a little more centrifugal force to get you around. The man has led her Heel Turn by lowering, leading with the hips, stepping through her with right side lead, and by stepping across the line of dance. She rotates on her right heel and gradually changes weight by beat 3. The man's third step is back left to closed position facing reverse. Finish a Full Reverse Turn with a step back right turning left, side and forward left, and forward right to Contra Banjo facing line and wall (sqq; sqq).

Congratulations

Linda and I are planning a Square and Round Dance party to celebrate our marriage, and we are inviting all our round dance friends to attend. The party will be held on Sunday, July 15th, between 2:00 and 5:00 p.m. at Swingtime Center (5100 SE Loop 820) in Ft. Worth. Steve Hoffman will be calling the squares and Bob Heath will be cueing three round dances between tips (4, 5, and 6 level). We hope you can come celebrate with us.
